COPIES TO: District Files, Chief's Office, Homicide Unit

Sir,

On Wednesday October 10, 2007 at 1400 hours I responded to the Bureau of Communications and was assigned as "B" platoon supervisor. During my tour of duty I had the occasion to speak with Daniel Coon a 10th grade student at [REDACTED] who wanted to relay information about a conversation he held with the suspected shooter. This conversation was held a week prior to that shooter wounding several people during a shooting incident that occurred on 10/10/07 at approximately 1311 hours.

Mr. Daniel Coon (no relation to shooter) called the Bureau of Communications at approximately 1630hrs on 10/10/07 after he learned that there had been a shooting at the school where he is a tenth grader. He was in attendance at the school earlier but ditched class. He wanted to give the police information about a conversation he had with the suspected shooter a week earlier. During the conversation Daniel stated the (shooter) mentioned wanting to hurt a specific girl (didn't know her name) and also mentioned wanting to hurt the other people who had ridiculed him. Daniel, the caller, was pretty distraught while relaying this information and his mother "Diane" felt it prudent to send a member of our chaplain's staff to his address (3192 W 92nd up/216-651-4135).

I contacted Rev. Kavouris who stated that he would head over and confer with the student and his family. I also spoke with Sgt Rowley who stated that they (homicide) would be doing the follow up investigation and was asked to type this informational form -1.

Respectfully,

 #9015
Monroe Goins, Sgt #9015

Asa Coon

NOT PUBLIC

CHILD AB/NEG INFO

They both entered my 10th period Reading class (1:10 pm – 1:50) without significant incident. When the class was working on the assignment, Asa continued to talk, as did some others. After the talking continued, I spoke with Asa in the hall. He was upset because his last comment was in response to something Frances Henderson had said – I was not talking with him due to any specific comment, but the continuation of disruption of any kind.

After Asa returned to his seat, it did not take long until Asa jumped up from his chair, knocking it over, and took a swing at CHILD hitting him in the side. CHILD chair was also knocked over. It was not hard for me to get between them as Darion egged Asa on to fight. I had not heard what triggered Asa to get up. They both continued the war of words until Asa and I walked out of the room. The last thing I heard CHILD say was, "After school." Asa exercised judgment to not be provoked.

Asa and I went to room 304 and talked while he cooled off a little. Among all of the oath-riddled speech, there was at least one clear, "F*** you" directed at me. We were there for about 10-15 minutes, until time for 11th period to start. Asa told me he was going to cut his 11th period class, World History. From what I saw, Asa spent the period walking around the halls.

After school, I went outside due to concern of a fight. I walked west on Hamilton, and I saw Asa walking west on Lakeside. I continued west without realizing that Asa did not go past E. 13th. So by the time I took E. 12th to Lakeside and then Lakeside back to E. 13th, everything was over.

After Asa left, I walked slowly after him, moving west on Lakeside. I went as far as E. 9th, where he told me to, "Get the **** out of there." As Asa continued west on Lakeside, I stood watching those crossing E. 9th to the South. Then I walked south and returned to the school on Hamilton. I never saw Darion since he was in the school.
